

GARDEN COTTAGE NURSERY

ADVERSE WEATHER POLICY

In the event of adverse weather garden Cottage Nursery has several ways that you can find out if we are closed, the policy below outlines what steps you should take.

Firstly we do not close the nursery unless we have no other option and have never needed to do so in the time that we have been open.

- If you need to check if we are open then please call us on 01903 877718.
- Or check Garden Cottage Nursery web-site www.gardencottagenursery.com
- If we are closed due to adverse weather then we will also advise the County Council who will then put us on their list of closures you can check this by calling: 01243 642104
- If the nursery is closed, we will contact parents via email as early as possible.

Temporary Closure due to Adverse Weather Conditions

Each day you are closed please ring 01243 642104 to be added to the website.

Please note: The list is created afresh each day so if you do not ring you on any day you will not be included on the 'Closed' list.

West Sussex County Council is offering a new information service to help private nursery schools and preschool playgroups inform parents when they have to shut during the continuing severe weather.

Parents will be able to find out if their nursery school or preschool playgroup is shut on the County Council's website www.westsussex.gov.uk from 7.45am every morning.
